UIU hosts int'l conference on information technology

▶ **AA News Desk**

The three-day International Conference on Computer and Information Technology (ICCIT) has begun at United International University. The conference, from December 21 to 23, is being held by the UIU CSE Department. UGC Chairman Prof Abdul Mannan joined the inauguration as the chief guest while UIU Board of Trustees Chairman Hasan Mahmood Raja was present as the special guest. UIU Pro-VC Prof Hasnan Ahmed presented the welcome speech with VC Prof Dr Chowdhury Mofizur Rahman was in the chair. Prof Mohammad S Alam and Prof Celia Shahnaz were also present. This program began followed by keynote presentation session by renowned researchers who shared their ideas, experiences and insights. Researchers discussed about the recent work and demonstrated their scientific results.
