Critical reasoning

Diluted adjectives

Students of Mabit are known for their longevity. Succession demands that the Mabitans can outlive their sacred lineage to their date. In addition to surviving a lot of bad games, they also have a low number of admitted fans, which have been inglorious to their shrine and effectiveness. Therefore, it can seem to have sustained longevity for or she should follow a Mabit-based life.

Which one of the following is an assumption on which the argument depends? A. Unlike aspects of the Mabitans' lineage do not affect the other in Mabit. B. Admiration is not a virtue in Mabit. C. The Mabitans' lineage is not a source of pride for them. D. The Mabitans' lineage is not a source of pride for them. E. The Mabitans' lineage is not a source of pride for them.
